# 2012 Key Numbers

The New Year's Eve peek over and retreat from the fiscal cliff did not solve all of the country's budgetary problems. But it did produce a historic and constructive piece of tax legislation that ended a great deal of uncertainty for taxpayers both for the 2012 tax year and beyond. Leaving the fight over spending for another day, Congress passed and the President signed into law the American Taxpayer Relief Act (ATRA.) There is something in the new legislation for everyone.
