Dimensional indices use CRSP and Compustat data.

Indices are not available for direct investment. Their performance does not reflect the expenses associated with the management of an actual portfolio. Past performance is not a guarantee of future results. Not to be construed as investment advice. Returns of model portfolios are based on back-tested model allocation mixes designed with the benefit of hindsight and do not represent actual investment performance. See "Balanced Strategy Disclosure and Index Descriptions" pages in the Appendix for additional information.
